TRANSIT, IN STOCK

No tariffs, no sales tax

A reusable 18" flat mop pad built for hospital environmental services: twist-face microfiber yarn for soil capture and chemical hold, a foam insert for even solution release across the pad, and a white hook-and-loop back that seats on standard 18" velcro flat-mop frames.

TWIST-FACE MICROFIBER YARN
(CLEANING FACE)

WHITE VELCRO BACK WITH FOAM
INSERT

IDENTIFICATION

Item / specification number	TM-M-01402-BL
Product type	Flat mop pad — wet / damp mopping
Nominal size	18 in.
Color	Blue (color-code ready)

CONSTRUCTION

Face construction	Twist face microfiber yarn
Fiber composition	80 / 20 polyester / polyamide microfiber yarn
Insert	Foam insert — even solution distribution and pad body
Backing	White velcro (hook-and-loop) back
Frame compatibility	Standard 18" hook-and-loop flat-mop frames
Reusable	Yes — launderable, reusable pad

PACKAGING & ORDERING

Unit of measure	Case (CS)
Case quantity	240 pads per case (240/CS)
Minimum order	1 case
Availability	In stock
Transit	3-day shipping included
Duties / tax	No additional tariffs or sales tax on this product

Twist face yarn

Twisted loops grab and hold soil instead of pushing it.

Foam insert

Releases solution evenly from the first room to the last.

White velcro back

Seats flat on any standard hook-and-loop frame.

Launderable

Washes and returns to the cart — not a one-use pad.

WHERE IT IS USED

- Patient rooms, corridors and discharge / terminal cleaning
- Color-coded programs — blue assigned to general patient-care areas
- Pairs with 16–18 in. aluminum swivel frames and telescopic poles
- Charge in a bucket, press system or pre-soak tub; one pad per room

LAUNDERING & CARE

- Launder without fabric softener — softener blinds the microfiber split and kills pickup
- No chlorine bleach; use a low-residue detergent on a warm wash
- Dry on low heat or air dry; high heat glazes the fibers
- Wash microfiber separately from cotton to avoid lint transfer

HOW TO ORDER

TM-M-01402-BL · 240/CS

Add it to the quote cart at sterilemate.com/marketplace (Janitorial & EVS → Microfiber Cleaning) and our team returns pricing and freight within two business hours — or call (281) 456-3458.
