

We think *differently*
about clean.

Replacement vacuum bags may not be what comes to mind when you think of growing your business. Yet a report several years ago by Trade Press Media Group indicated that nearly \$72 Million worth of vacuum bags and filters were bought annually. Green Klean is here to help you get your share of that business. As the largest U.S. Owned Supplier of replacement vacuum bags, Green Klean is a company you can count on for quality, customer service and affordability.

Sold through better Jan/San distributors everywhere.
