Food Safety is Serious Business

CleanSMART™ Products

CleanSMART™ Pot N' Pan Detergent SC (#1115)

4/1 Gal. Case

A high performance formula creates high stable foam for easy removal of grease and food stains. USDA authorized. Super concentrated formula. USDA authorized, Class A1. Easily removes grease and food stains. Packaged for use with CleanSMART™ Dispensing System.

CleanSMART™ Sanitizer (#1116) 4/1 Gal. Case

Quaternary formula sanitizes pre-cleaned surfaces. For supermarkets, food service and meatroom applications. Super concentrated 1:512 dilution ratio. USDA authorized Class D2. Packaged for use with CleanSMART™ Dispensing System. Effective in hard water up to 400 ppm and 5% organic serum. EPA Registered.

CleanSMART™ Foaming Degreaser Cleaner SC (#1117)

4/1 Gal. Case

Non-butyl foaming degreaser for meatroom area surfaces, floors and equipment. Super concentrated formula. USDA authorized Class A1. Exceptional degreasing performance. Packaged for use with CleanSMART™ Dispensing System.

CleanSMART™ Sink Dispensing Unit (#4118) Individual

Dispenses both Detergent and Sanitizer at recommended dilution ratios. Flow rate of 4 G.P.M. High flow eductors provide accurate, rapid sink filling. Easily adapts to any two or three compartment sink. Ideal for supermarkets, restaurants and industrial kitchens.

CleanSMART™ Foam Dispensing Unit (#4119) Individual

For use with CleanSMART™ food service products. Unique adjustable foaming/spray nozzle. Easy foaming / rinsing / sanitizing changeover. Convenient hose holder makes storage convenient.

Pak-SMART™ Connecting Cap (#6733) Each

Cap connects products packaged with a Pak-SMART™ Stem in each bottle to CleanSMART™ or UNI POWER™ equipment. Individually packaged.

Handi Rack Round Gallon (#4145) Individual

Sturdy wire holding rack designed for containers. Dimensions: 6.5" diameter. Sturdy, rust resistant wire construction. Black. Complete with mounting hardware.

Foaming Hand Cleaner & Sanitizer

afia™ Foaming E2 Hand Sanitizer & Cleaner (#0448)

6 x 1000 mL / case

Formulated with Benzalkonium chloride to kill germs quickly and effectively reduce bacteria on the skin. Recommended for use by food plant personnel prior to handling food or food processing equipment.

afia™ Alcohol Based Hand Sanitizer (#0445)

6 x 1000 mL / case

A superior quality, 70% Ethyl Alcohol hand sanitizer that exhibits exceptional foaming for an alcohol based product. Recommended for use in virtually any hand sanitizing situation, including healthcare, schools, universities, institutions, office buildings, hospitals, nursing homes. Also ideal for restaurants, super markets and delicatessens meat prep rooms and institutional kitchens.

afia™ Touch Free Hand Cleaner Dispenser (#4223)

6 / case

A modern, touch free design that looks great in all environments. Constructed from durable, high quality ABS plastic for long term performance and reliability. The bag chamber with a window view, accommodates both 1000 mL and 1250 mL bags. Comes complete with foaming valve, installation hardware and 3M adhesive foam strips for simple, easy, secure mounting. Includes 4 AA-cell batteries.

afia™ Manual Hand Cleaner Dispenser

(#4216 & #4217) 12 / case

A modern design that looks great in all environments. The sturdy base is constructed from durable, high quality ABS plastic for long term performance and reliability. The bag chamber with a window view, accommodates up to 1250 mL bags. Complete with an antimicrobial push bar that reduces bacteria, mold, fungi on its surface to protect from degradation.

afia™ Dispenser Stand Floor Dispenser Stand (#4232)

Individual

Sturdy, easy-to-assemble dispenser stand for use with Manual or Touch Free AFIA™ Hand Soap Dispenser products. The 54" Tall stand features a heavyweight base, aluminum pole assembly, and molded faceplate. Entire assembly can be done in minutes. Comes standard with all assembly hardware, and includes a drip tray.

ProLEX™ Warewashing Systems

HTR-260 Concentrated High-Temp Rinse Additive (#1123) 4/1 Gal. Case, 5 Gal. Pail

A concentrated rinse additive that causes water to 'sheet off' dishes, glassware, etc. in machine dishwashing applications. Promotes rapid drying. Eliminates water spotting. Performs under a wide range of water hardness conditions. Use with all types of dispensing equipment.

LTD-220 HD Multi-Temp Machine Detergent (#1121) 4/1 Gal. Case, 5 Gal. Pail

A non-chlorinated, non-foaming, highly concentrated warewashing detergent for use in both low and high temperature dish machines. Non-chlorinated. Non-foaming. Highly concentrated. Works in both low and high temperature dish machines. Alkaline formula tackles tough greasy soils.

LTR-250 Premium Low Temperature Rinse Additive (#1122) 5 Gal. Pail

Low temperature rinse additive that causes water to 'sheet off' dishes, glassware, etc. in machine dish washing operations. Promotes rapid drying. Eliminates water spotting. Performs under a wide range of water hardness conditions. Use with all types of dispensing equipment.

CDL-520 Concentrated Delimer (#1126) 4/1 Gal. Case

Dissolves lime deposits, scale, milk stone, films and light rust from stainless steel, aluminum, tile, porcelain, and other surfaces. Blend of organic and in-organic acids. Low odor, non fuming. Prevents corrosion. Dilute for manual cleaning. Full strength for fast de-liming of automatic dishmachines or C.I.P. equipment.

Sanitizers

Saniquat™ Disinfectant Sanitizer Deodorizer (#0125) 4/1 Gal. Case, 55 Gal. Drum

Dilutes at 1:512 for sanitization; does not require a potable rinse. For use in food processing plants, supermarkets, restaurants and hospitals. Multi-purpose formulation gives a cost effective use in a wide range of procedures. High use dilution for economical sanitization. No rinse required at specified dilutions, saves labor. USDA authorized Class D2. EPA Registered.

Spritz™ RTU Sanitizer (#0244) 12/32 oz (1 Qt.) Case

A ready-to-use quaternary sanitizer that quickly and easily sanitizes and deodorizes hard, nonporous food contact surfaces in 60 seconds. Kills 99.999% of bacteria in 60 seconds. Simple and easy to use. No rinse required. Saves labor while providing complete sanitization. Odorless, does not contain unwanted perfumes or odors that could prove to be objectionable or irritating. EPA Registered.

Bio-Enzymatic Products

Sha-Zyme™ Grease Attacking / Anti-Slip Deodorizing Bio-Cleaner (#1830) 4/1 Gal. Case, 55 Gal. Drum

A no-rinse daily cleaner and degreaser for use on porous hard surfaces such as concrete, quarry tile, grouted surfaces. Non-acid formula eliminates grease, grime, urine deposits and light mineral deposits. Deodorizes as it cleans.

Sha-Zyme™ DRC Deodorizer / Restroom Cleaner / Urine Odor Eliminator (#1831) 4/1 Gal. Case

A powerful, bio-enzymatic, no-rinse daily cleaner and deodorizer to remove restroom soils and completely eliminate urine deposits and odors. For use on any water washable surface, including porous hard surfaces such as ceramic tile, brick, concrete, quarry tile, any grouted floor surface, rubber matting and non-porous surfaces such as vinyl tile. Eliminates urine deposits and odors.

Nature's Solution™ Bio-Enzymatic Deodorizer / Spotter / Digester (#1800,#1801) 12/32 oz (1 Qt.) Case, 4/1 Gal. Case, 5 Gal. Pail, 55 Gal. Drum

Provides effective removal of organic stains and odors. Great for use in restrooms, locker rooms, carpet, upholstery, drains and grease traps. Powerful formula with over 100 billion active bacteria per gallon. Multi-functional product has a wide variety of uses. Contains our long lasting MCA™ malodor counteractant with Herve Outdoors™ fragrance. USDA authorized Class C1.

Natural Miracle™ Biologically Engineered Instant Malodor Destroyer & Cleaner (#1820,#1821)

12/32 oz (1 Qt.) Case, 4/1 Gal. Case, 55 Gal. Drum

Advanced, synergized bio-enzymatic formulation to instantly control malodors and provide long lasting deodorization. Powerful formula with over 200 billion synergized bacteria. Multi-functional, used for controlling malodors, cleaning and stain removal. Rapid germination and bacteria growth. Contains our long lasting MCA™ malodor counteractant with Bajan™ fragrance.

Nature's Force™ Biologically Engineered Drain Opener & Maintainer (#1810,#1811) 12/32 oz (1 Qt.) Case,

4/1 Gal. Case, 55 Gal. Drum

Exceptionally powerful formula blended with free enzymes and over 100 billion active bacteria opens slow drains without harmful acids or caustics. Multi-functional formula unclogs drains, maintains drains and controls odors. Biodegradable so it is environmentally safe to use. Contains no caustics, acids or solvents and is safe for personnel, pipes and fittings. Powerful Giane™ fragrance.

Nature's Power™ Biologically Engineered Instant Malodor Destroyer & Cleaner (#1825) 4/1 Gal. Case,

5 Gal. Pail

Keeps grease traps free of grease build-up with over 200 billion active bacteria per gallon. Reduces or eliminates manual cleaning cycles to save time and money. All natural ingredients are truly environmentally safe. Outstanding anaerobic (low oxygen environments) capabilities ensure degradation of complex waste materials.

Dish Detergents

Green Emerald™ Premium Dishwash Detergent (#1100) 4/1 Gal. Case

A super viscous formula that creates long lasting suds and leaves even the greasiest dishes sparkling clean. Distinctively appealing fresh citrus fragrance. Unique combination detergent system provides high stable foam. Super concentrated to be economical. Mild pH is easy on the hands. Rinse additives promote drying without spotting. USDA authorized Class A1.

Pink Suds Liquid Dishwash Concentrate (#1107) 4/1 Gal. Case

A highly concentrated hand dish detergent containing unique properties of being a powerful cleaner and yet very gentle to the hands. This product is blended from a complex, three part surface active synthetic process which gives the most effective emulsifying and degreasing capacity.

Golden Pot & Pan Dishwash Detergent (#1105) 4/1 Gal. Case, 5 Gal. Pail

A premium grade concentrated dishwash detergent. Lemon scented with golden amber color. Effortlessly cleans the greasiest dishes. Super concentrated formula for cost effectiveness. Long lasting foam stability and aggressive cleaning action. Pleasantly scented for acceptance by all personnel. Exotic wetting agents promote drying without spotting. USDA authorized Class A1.

Foaming Degreasers

Pooff™ Foaming Cleaner (#0920) 4/1 Gal. Case, 55 Gal. Drum

An extremely heavy-duty, highly concentrated foaming cleaner for fast and effective cleaning in food service applications. High foaming action provides the longest contact for complete cleaning. Rinses freely, no film residue for the cleanest surface possible, saves labor. Corrosion inhibited to protect equipment. USDA authorized Class A1.

Food Service Cleaners

Frost Free™ Freezer & Cold Room Cleaner (#1430) 4/1 Gal. Case

Highly effective, ready-to-use floor, wall and equipment cleaner in all freezer, cold storage and other sub-freezer areas to -44°F. Resists freezing down to -44°F, can be used in all types of freezers. Neutral detergent base is environmentally responsible. Fast, efficient cleaning and costly shutdowns can be avoided. Low odor formula can be used in low ventilated areas. USDA authorized Class A5.

Surge™ Heavy-Duty Liquid Drain Opener (#1760) 12/32 oz (1 Qt.) Case

Non-acid drain opener that pours through standing water and goes directly to the clog. Removes scum, hair and grease. Non-fuming, can be used in any drain. Pour through standing water, no need to empty clogged drains. Safe to use, will not harm plumbing fixtures, garbage disposals, porcelain or septic tanks.

Big Punch™ Instant Acting Oven & Grille Cleaner (#1104) 4/1 Gal. Case

High caustic formulation liquefies cooked-on soils from ovens and grilles, warm or cold. Non-fuming, just apply and wipe soil away. Super active formula eliminates lengthy cleaning times. Free rinsing offers universal use by all food processing facilities. USDA authorized Class A8.

Kitchen Mate™ Professional Oven & Grille Cleaner (#2005) 12/18 oz Aerosol Case

A commercial strength aerosol, high foaming formulation that eliminates the need for scraping and scouring of burnt on grease, grime and dirt. Thick clinging foam/gel applies uniformly and clings for maximum surface exposure. Works in warm or cold ovens. Fast acting formula penetrates quickly to minimize labor. USDA authorized Class A8.

Glimmer™ Stainless Steel Polish / Cleaner (#2006) 12/18 oz Aerosol Case

3 in 1 Cleaner / Polish / Protectant aerosol for use on stainless steel, chrome, aluminum, any polished or brushed metal surface. Cleans, repairs and protects in one easy step to save time and labor. Thick spray clings to vertical surfaces for easy application. Streak free formula wipes easily. Retards fingerprinting and resoiling to prolong times between cleaning.
